1) Effective date of the Merger

The Merger will be effective on 8 October 2026.

2) Background to and rationale for the Merger

In the context of the change of controlling shareholder of AXA Investment Managers Paris (AXA IM Paris) from AXA S.A. to BNP Paribas S.A. on 1 July 2025 and its subsequent merger into BNP PARIBAS ASSET MANAGEMENT Europe, the management company of the Merging Fund on 31 December 2025, a review of the fund offering of each management company of the BNP Paribas group has been conducted.

As the Merging and the Receiving Sub-Funds have been identified as overlapping in terms of fund offering and as they have similar investment objectives, strategies and investment universe, it has been decided to merge them for rationalization purposes and to clarify the fund offering to investors. The shareholders of the Merging and the Receiving Sub-Funds will benefit from a meaningful increase of assets within the Receiving Sub-Fund, which has the higher level of assets under management, and which showed a better commercial positioning over the past years.

Given the above, the board of directors of the Merging Fund and the Board believe that it is in the best interest of the shareholders of the Merging and Receiving Sub-Funds respectively to merge the Merging Sub-Fund into the Receiving Sub-Fund.

¹ The Merging Sub-Fund is not authorized by the Securities and Futures Commission (“**SFC**”) and is not available to the retail public in Hong Kong.

3) Impact of the Merger

The Merger will have no impact for the shareholders of the Receiving Sub-Fund.

The Merging Sub-Fund will be dissolved without liquidation by transferring all of their assets (including accrued income of the Merging Sub-Fund) and liabilities into the Receiving Sub-Fund.

The Merging Sub-Fund will cease to exist at the effective date of the Merger.

The Merger will be done in kind and cash on an ancillary basis. The portfolio of the Merging Sub-Fund will be rebalanced ahead of the Merger to align it with the investment policy of the Receiving Sub-Fund.

The Merger will not have any impact on the portfolio of the Receiving Sub-Fund which will not be rebalanced before or after the Merger takes effect for the purpose of the Merger.

4) Organisation of the exchange of shares

The shareholders of the Merging Sub-Fund will receive, in the Receiving Sub-Fund, a number of shares (including, where applicable, fractions of shares) calculated by multiplying the number of shares they held in the Merging Sub-Fund by the relevant exchange ratio which shall be calculated for each class of shares.

The exchange ratios will be calculated as of 8 October 2026 with reference to the NAV per shares of the classes of both the Merging Sub-Fund and the Receiving Sub-Fund dated 8 October 2026.

The criteria adopted for valuation of the assets and, where applicable, the liabilities of the Receiving Sub-Fund on the date for calculating the exchange ratio will be the same as those used for the NAV calculation as described in the chapter "Net Asset Value" of the Book I of the Prospectus.

No balancing cash adjustment will be paid to the holders of shares of the Merging Sub-Fund.

5) Right to redeem the shares

If you do not accept the Merger, you may instruct redemption of your shares free of charge in accordance with the relevant procedures as disclosed in the Hong Kong Offering Document.

6) Other information

The costs and expenses of the Merger will be borne by BNP PARIBAS ASSET MANAGEMENT Europe, the management company of the Merging Fund, except for banking and transaction related costs (including e.g. taxes and stamp duties) which may be charged to the Merging Sub-Fund, provided that they are not material.
