

## PRESS RELEASE

**BNP Paribas Asset Management appoints Head of Global Equities**

BNP Paribas Asset Management ('BNPP AM') announces the appointment of Nadia Grant as Head of Global Equities. Based in London, Nadia joins on 4th April and will report to Guy Davies, CIO, Fundamental Active Equities.

In her new role, Nadia will be responsible for BNPP AM's Global Equity team based in London and Paris. Nadia's career spans 22 years and she joins from Capital Group, where she was a portfolio manager within the Capital Solutions Group responsible for global multi-asset solutions. She was previously Columbia Threadneedle's EMEA-based Head of US Equities, prior to which she held various portfolio management roles at JP Morgan Asset Management. She began her career as an analyst at JP Morgan investment bank. Nadia holds a Master's in Finance from Neoma Business School and is a Chartered Financial Analyst.

In addition to his existing role as CIO, Fundamental Active Equities ('FAE'), Guy Davies has been appointed Deputy Head of Investments with immediate effect. Guy is based in London and will continue to report to Rob Gambi, BNPP AM's Global Head of Investments, working closely with Rob to lead BNPP AM's Investment platform and execute the company's ambitious new Strategic Plan. Guy assumed responsibility for FAE in 2016 and has subsequently built a performance-oriented culture and a successful and growing thematic platform.

**Rob Gambi, Global Head of Investments at BNPP AM, comments:**

*"These appointments are in line with our approach to managing global equities to generate long-term sustainable investment returns for our clients. Nadia's expertise in fundamental stock picking, combined with her knowledge of behavioural finance, proven track record in asset allocation and ability to leverage a wide range of managerial talent will strengthen our management team. Guy has a strong commercial focus and has demonstrated excellent leadership in managing change within our Fundamental Active Equities business, including the ability to promote cultural and ethical differences in line with our expectations at BNPP AM. I look forward to working closely with both of them."*

[quentin.smith@bnpparibas.com](mailto:quentin.smith@bnpparibas.com)**About BNP Paribas Asset Management**

BNP Paribas Asset Management ('BNPP AM') is the investment arm of BNP Paribas, a leading banking group in Europe with international reach. BNPP AM aims to generate long-term sustainable investment returns for its clients, based on a unique sustainability-driven philosophy. BNPP AM's investment capabilities are focused around five key strategies: High Conviction Strategies, Private Debt & Real Assets, Multi-Asset, Quantitative & Solutions (MAQS), Emerging Markets and Liquidity Solutions, with investment processes incorporating quantitative and fundamental analysis.

Sustainability is embedded within BNPP AM's strategy and investment decision-making. Among the leaders in thematic investment in Europe, BNPP AM contributes to the energy transition, environmental sustainability and the promotion of equality and inclusive growth. BNPP AM currently manages EUR 537 billion of assets (EUR 669 billion of assets under management & advisory) and benefits from the expertise of around 500 investment professionals and over 400 client servicing specialists, serving individual, corporate and institutional clients in 69 countries.

### Additional information

BNP PARIBAS ASSET MANAGEMENT UK Limited, 'the investment company', is authorised and regulated by the Financial Conduct Authority. Registered in England No: 02474627, registered office: 5 Aldermanbury Square, London, England, EC2V 7BP, United Kingdom.

This material is produced for information purposes only and does not constitute:

1. an offer to buy nor a solicitation to sell, nor shall it form the basis of or be relied upon in connection with any contract or commitment whatsoever or
2. investment advice.

This material is issued and has been prepared by the investment company. It contains opinions and statistical data that are considered lawful and correct on the day of their publication according to the economic and financial environment at the time. This document does not constitute investment advice or form part of an offer or invitation to subscribe for or to purchase any financial instrument(s) nor shall it or any part of it form the basis of any contract or commitment whatsoever.

This document is provided without knowledge of an investors' situation. Prior to any subscription, investors should verify in which countries the financial instruments referred to in this document are registered and authorised for public sale. In particular, financial instruments cannot be offered or sold publicly in the United States. Investors considering subscriptions should read carefully the most recent prospectus and Key Investor Information Document (KIID) agreed by the regulatory authority, available on the website. Investors are invited to consult the most recent financial reports, which are also available on the website. Investors should consult their own legal and tax advisors prior to investing. Given the economic and market risks, there can be no assurance that the financial instruments will achieve their investment objectives. Their value can decrease as well as increase. In particular, changes in currency exchange rates may affect the value of an investment. Performance is shown net of management fees and is calculated using global returns with time factored in, with net dividends and reinvested interest, and does not include subscription-redemption fees, exchange rate fees or tax. Any gross of fees performance included in this material do not reflect the deduction of commission, fees and other expenses incurred. Returns will be reduced after the deduction of such fees. Past performance is not a guarantee of future results.
