2) Impact of the Mergers on the Merging Shareholders

Please note the following **impacts** of the Mergers:

- ✓ The shareholders of the Merging Sub-funds, who do not make use of their shares redemption right explained below on point 7), will become shareholders of the Receiving Sub-funds.

The portfolio is then fully rebalanced with the objective to select the best equities available in order to maximize its final average score on these criteria.”*

*“The Investment Manager applies also BNP PARIBAS ASSET MANAGEMENT’s Sustainable Investment Policy, which takes into account Environmental, Social and Governance (ESG) criteria in the investments of the sub-fund.”*

- Performance fees:
