Dear Investor,

As part of an ad hoc review of the Fund's risk category (or synthetic risk and reward indicator, "SRRI") as shown on the key investor information document ("KIID"), we have identified that the Funds below published an incorrect SRRI within the KIID of each share/unit class between the respective dates noted in the table and 19 November 2025 inclusive. The correct SRRI is detailed below.

Fund name	SRRI incorrect from	Published SRRI	Corrected SRRI on 20 November 2026
AXA Distribution Fund	Jul-25	5	4
AXA US Short Duration High Yield Fund (except share class S income and S accumulation which were unaffected)	Jul-25	4	3
AXA Framlington Global Thematics Fund	Jul-25	6	5
AXA Framlington Health Fund	Jun-25	6	5
AXA Framlington UK Equity Income Fund	Jun-25	6	5
AXA Framlington UK Select Opportunities Fund	Jul-25	6	5
AXA Framlington UK Smaller Companies Fund	Jul-25	6	5
AXA Managed Income Fund	Jul-25	4	3
AXA People & Planet Equity Fund	Jul-25	6	5

As a consequence, investors who bought or sold shares/units in these Funds during this time could have reviewed the higher SRRI incorrectly published in the KIID. We apologise for any concern or issues this might cause.
